Legislative Council Deputy Director

CLEARINGHOUSE RULE 03-037

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

2. Form, Style and Placement in Administrative Code

a. In s. NR 460.02 (intro.), “therein” should be deleted and replaced by the phrase “in that chapter or subchapter.” [See s. 1.01 (9) (c), Manual.]

b. In s. NR 465.28 (2), the numbering skips from par. (b) to par. (d). The entire subsection should be renumbered to include a par. (c). Also, in par. (d), it appears that “Following” should be changed to “Follow.” [See also s. NR 465.25 (2) (a) with respect to consecutive numbering of subdivisions.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. While the term “HAP” is defined in s. NR 460.02 (22), it is such an integral term to ch. NR 465 that it should be included in s. NR 465.22.

b. In s. NR 465.23 (4) (c), the second comma should be deleted.

c. In s. NR 465.27 (2) (e) 1., periods should be inserted at the end of each description of the variables. The entire rule should be reviewed for this problem.

d. In s. NR 465.28 (6) (b) 1. (intro.), the comma is unnecessary and should be deleted.
